## Hamak Hotels announces Chablé Maroma opening date

July 19, 2018

Hamak Hotels has announced that Chablé Maroma will open its doors on 10 September 2018. Set on the beach of Maroma along Mexico's Riviera Maya, the hotel marks the second Chablé property within the Hamak portfolio, following the 2016 launch of Chablé Resort & Spa Yucatan.

Surrounded by mangroves on the country's Caribbean coastline, Chablé Maroma is a luxury beach resort set between a tropical jungle and the sands of Maroma Beach. The project comprises 70 spacious villas, each with its own private pool and outdoor terrace, as well as more than 650ft of private beach.

In line with its Yucatan sister property, Chablé Maroma features a striking design scheme, gourmet dining by Chef Jorge Vallejo and an expansive 17,000ft<sup>2</sup> spa. The resort will also feature a yoga pavilion, fitness centre and a beachside pool with private cabanas.

Gerardo Ortiz, General Manager at Chablé Maroma, comments: "We're thrilled to announce the summer opening of Chablé Maroma. We wanted to create a hotel that would mirror the exceptional levels of service and luxury enjoyed by guests at Chablé Resort & Spa Yucatan and cater to an ever-growing number of discerning travellers heading to Mexico each year. We're confident that when Chablé Maroma opens in August it will set a new standard for luxury in the region."
